Sir:

Please amend the above application as follows:

In the Drawings

Please defer the requirement for formal drawings until after completion of the action on the merits.

In the Claims

Claim 1, line 3, change "the sole" to read —a sole—

Amend Claim 3 to read:

3. (amended) An iron cover comprising:

a. a non-transmitting heat resistant liner having:

i. a padded bottom segment shaped to cover and protect a sole of an iron placed thereon from marring or damage, and

ii. a plurality of side flaps with ends, the side flaps extending sufficiently to secure around the sides of an iron placed within the liner and structured to define a plurality of heat release vents to allow heat to escape from a hot iron placed in the cover for storage,

b. securing means associated with ends of the side flaps to secure them around the iron, and
